DISCUSSED WORLD PEACE FIFTY YEARS AGO

Pleas for universal world peace are not of modern origin, and as long as fifty years ago essays were written and eloquent pleas delivered from college rostrums in favor of universal peace for a war-torn world.

The Louisville Times of Wednesday reproduced in its columns a program of the commencement exercises held at Centre College, in Danville, on June 17, 1875. On this program appeared the name of J. T. Vansant, then a young student from Flemingsburg, now Dr. J. T. Vansant, of Paris. His subject was "Peace As An Element of Power." J. C. Barrett, of Louisville, seemed gifted with prophetic vision of the future, as the subject of his oration was "Congress of Nations For The Prevention of War." Others on the program were H. H. Grant, afterward a prominent surgeon of Louisville; Breckinridge Jones, of Danville, now President of the Mississippi Valley Trust Co., St. Louis; Richard P. Ernst, of Covington, present United States Senator, and John Marshall, Louisville attorney.

JEWISH RELIEF CAMPAIGN STARTS

Quota of \$25,000 For Bluegrass Region Will Be Raised By Saturday Night

WM. SHIRE LOCAL CHAIRMAN

LEAD JEWISH CAMPAIGN

The Jewish people of Kentucky are conducting a campaign to raise money to help the starving and destitute Jewish people in Central and Eastern Europe. Because of the unusual appeal and the belief that people of all faiths will be glad to give to this cause, contributions from non-Jews will be greatly received and acknowledged.

Kentucky's quota in the campaign is set at \$150,000. Of this amount \$100,000 is to be raised in Louisville and \$25,000 in the Bluegrass region. There is every indication that Kentucky, like every other State taking part in this nation-wide campaign will go over the top and far beyond. An item was recently sent out under a New York date line conveying the impression that the national quota of \$14,000,000 had already been reached and passed. What was meant was that when all State campaigns were completed this sum would probably be reached. Kentucky is one of a number of States in which the campaign is just being put on and the money is yet to be raised.

At a meeting held in Lexington, Sunday afternoon, attended by representative Jews from all the towns in the Bluegrass section, between 30 and 35 per cent. of the quota assigned was pledged in a short time. The meeting held in the Masonic Temple, was presided over by Jonas Well, District Chairman. Mr. Well stated that several large subscriptions were included in the amount, and that during this week all the committees would be at work among the people of the Bluegrass, and that the full quota would be raised by Saturday. The chief speakers at the meeting were Rabbi Joseph Rausch and Hon. Benj. Wash, both of Louisville.

Paris is represented on the Bluegrass committees by William Shire, as local chairman. Isaac L. Price is a member of the State Advisory Board. The work of soliciting funds will be carried forward in the city and county until the quota assigned has been raised. Paris and the county will, of course, "go over the top," as that is a kind of thing in which we have taken great pride. The funds are to be used on Jews and non-Jews alike, and, although the Jews are directing the active campaign and have undertaken the heavy responsibility of raising the fund and distributing it among the starving children of Europe, non-Jews, as well as Jews, are asked to contribute to the fund.

HIGH SCHOOL LYCEUM COURSE

Saturday evening, March 18, the largest audience that has been in the City School Auditorium in recent years, heard Mr. DeJen, the magician, give a splendid entertainment and heard the announcement of the coming of "The Sorority Singers," Saturday night, March 25. It has been a long time since the people of this community have had presented to them a more attractive program than "The Sorority Singers" will bring. The course is nearing an end, only two more numbers.

If you have a season ticket use it Saturday night. If you haven't a season ticket you can get a single admission ticket from some teacher or student during the week.

The students and teachers are trying to make March 25 the high-water mark from the standpoint of attendance during the entire course.

HOORAY! HOORAY! NOW PLAY BALL!

Blue Grass League Finally Organized With Mt. Sterling and Winchester Completing Deal

LEAGUE SEASON OPENS APR. 23

Thursday night's meeting of the club moguls of the new Bluegrass Base Ball League might have been termed a "harmony" session, for with splendid spirit of co-operation shown on all sides the league was for once and all time organized under the protection of the National Base Ball Association.

Six clubs, Lexington, Maysville, Winchester, Paris, Cynthiana and Mt. Sterling, have entered the base ball futurity and all teams were represented at the Phoenix Hotel conference in Lexington.

Each team in the circuit will play fifty games during the season, one every Thursday and one every Sunday, beginning April 23 and continuing through October 12.

Thomas M. Russell, of Maysville, formerly at the head of the old Blue Grass and Ohio State leagues, was elected president with E. L. Willett, of Maysville, secretary-treasurer. J. A. Estes, of Lexington, was appointed official statistician.

A clause in the constitution adopted Thursday night prohibits any club from having more than sixteen men under contract at any time during the season. The salary limit for the clubs was set at \$650 per month which does not include the playing manager's fee.

Mt. Sterling and Winchester, which had been rather hesitant about entering teams in the loop were visited Thursday by delegates from Lexington, Maysville, Paris and Cynthiana, and were lined up. In Mt. Sterling, H. G. Hoffman is organizing a stock company to raise funds for the team. The chamber of commerce there is also supporting the movement.

J. S. Baskett and Chas. Vallandingham, of Winchester, are behind the club in the Clark county seat. Vallandingham, a former Blue Grass leaguer, will have the role of playing manager.

A stock company was organized in Cynthiana three weeks ago and it was announced at the meeting that all stock had been disposed of. The officers of the Cynthiana club are: Wood Taylor, president; John S. McDaniel, secretary, and John S. Lenihan, business manager and treasurer. No playing manager has been selected to date by the Cynthiana directors.

B. F. Goodman has been named playing manager of the Paris club and is on the trail of a number of fast performers to bolster up his team. Lexington and Maysville and Mt. Sterling have not signed up playing managers.

The opening games to be played on April 23 are as follows: Maysville at Winchester; Paris at Lexington, and Cynthiana at Mt. Sterling.

Those present at the meeting Thursday night were: President Tom Russell, Claude Watkins, Dr. J. S. Hutchings, E. L. Willett and Ben Middleman, of Maysville; B. F. Goodman and Geo. D. Speakes, of Paris; S. Reese, of Cynthiana; J. S. Bassett, Winchester; Harry G. Hoffman, Mt. Sterling; J. S. Morton, S. J. Amato and L. M. Perkins, of Lexington.

A base ball team has been organized at the Paris High School under the coaching of B. F. Goodman, former members of the old Blue Grass League, and one of the organizers of the new League under the same name. Practice has begun and the players have been supplied with uniforms. A schedule of games with teams from Central Kentucky high schools will be arranged.

CIRCUIT COURT RESUMES WORK

Special Judge Bailey Believes In Speeding Up Attorneys And Others in Court Matters

CASES UNDER ADVISEMENT

Following the closing of the Musson case Thursday the case of Wilson Wilder, former Louisville & Nashville conductor, charged with having liquor in his possession for the purpose of sale, was called, and occupied the time of the Court through the morning hours. The jury returned a verdict giving him forty-five days in jail, and assessed a fine of \$300.

The case of L. T. Leach, on a charge of violating the liquor laws, was continued until the June term of Court, on account of absence of several important witnesses.

In the afternoon the time of the Court was taken up with arguments in a number of equity cases. On Saturday arguments were heard by the Court in the case of citizens of Paris vs. the Paris Water Company. These cases comprise joint injunction suits brought by the citizens of Paris through the Paris Commercial Club, restraining the Paris Water Company from charging rates in excess of those in vogue during the past few years. The increase in rates, which was made by the Water Company last year, amount to about forty per cent. more than the war prices.

County Judge George Batterton represented the citizens of Paris, while the Water Company's interests were in the hands of E. M. Dickson, Robert C. Talbot and Wade H. Whitley. The Court took the case under advisement, and a decision is expected this week. Whatever the decision may be it is thought the case will be appealed.

The case of James McClure, administrator of the estate of the late W. W. Massie, who filed a suit to force a settlement of the estate of Mr. Massie's son, the late Wm. C. Massie, and to have the estate divided among the heirs, was argued before the Court by attorneys Bush and Hunt, of Lexington, and Denis Dundon, John J. Williams and Talbot & Whitley, of Paris. The argument was continued to Monday.

In the Wilson Wilder case, in which the defendant, by his counsel, made a motion for a judgment notwithstanding the verdict, the Court overruled the motion. Attorney E. M. Dickson, representing the defendant, then moved for an arrest of judgment. This motion was overruled also, and the defense was given three days in which to move for a new trial.

The Grand Jury made its first report yesterday afternoon to the Court, returning eighteen true bills for various offenses, and remained in session for the consideration of other business presented.

Defendants in the following cases were brought into Court and pleaded guilty, their cases being assigned for trial to-morrow: Commonwealth vs. Charles Jones; same vs. William Warren; same vs. Jimmie Heuard; same vs. James Burton; same vs. Ross Morris; same vs. Sidney Johnson.

Arguments in the cases of the citizens of Paris against the Paris Water Company, continued from Saturday's sessions, were resumed yesterday morning being concluded. Judge Bailey returned a decision in part, up to a certain point, to the effect that the rates charged by the Water Company were higher than those prescribed by an old city ordinance, and that any consumer could bring suit for all the consumers.

BUY MAYSVILLE STORE

Posner Bros., operating shoe stores in Paris and Maysville, and at Middletown, Ohio, have purchased the three-story business house on Second street, in Maysville, occupied by their store, for about \$16,000. Ben Posner is in charge of the Paris store, Jake manages the Maysville house, while the firm's affairs in Middletown, Ohio, are looked after by Charles Posner, all three good business men and good citizens.

BASKET BALL

The Paris High School basketball teams took the measure of the teams representing the Cynthiana High School in the games played on the Y. M. C. A. gymnasium floor Friday night. The local boys won their game by a score of 34 to 22, and the Paris Hi girls playing a splendid game, came out victors in their contest with the Cynthiana girls by the score of 13 to 12. In the boys' game Tucker starred for Paris, and Wigglesworth for Cynthiana, making fourteen points.

The alumni of the Paris High School will play a game on the local Y. M. C. A. gymnasium floor to-night at seven o'clock with the regular team of the P. H. S. Four of the University of Kentucky basketball stars, Lavin, Hayden, Rice and Kenney, will be on the alumni team. The game will be refereed by Atkins, of the University of Kentucky.

Last Friday night the Paris High School basketball teams played their last games at home, and were victorious over their Harrison county opponents in both games. Baldwin, Hall and Wallingford featured for the Paris girls, while Jameson and Garnett starred for the visitors. The teams presented the following lineup: Paris—Rule (3), Hall (8), forwards; Baldwin (2), center; Rose and Wallingford, guards; Cynthiana—J. Jameson, K. Jameson (6), forwards; Garnett (4), center; D. Jameson (2) and Tucker, guards. Score 13 to 12; Referee, Nash, of Georgetown College.

The boys' team won by a larger margin, the score being 34 to 22. Tucker, Rose and Clark played the best game they have played this season, while Wigglesworth and Boswell did best for the visiting team. The line-up follows: Paris—Tucker (14), Rose (8), forwards; Meglone (4), center; Clark (4) and Wright (4), guards; Cynthiana—Wigglesworth (14), Well, forwards; Boswell (4), center; Oldham (2) and McIlvaine, guards; Score, 34 to 22; Referee, Nash, of Georgetown College.

In the game played by the smaller girls neither side scored, and the Neil Robbins.

TO ATTEND MEETING OF COMMERCIAL ORGANIZATIONS

An invitation has been received by Secretary Harold Harris, of the Paris Commercial Club, through C. Frank Dunn, secretary-manager of the Lexington Board of Trade, to the officers, Board of Directors and members of the local organization, to attend a meeting of commercial organization executives, to be held in Lexington to-morrow.

The meeting will be in the nature of a business conference, with a noonday luncheon served in the dining rooms of the Phoenix Hotel. The purpose of the meeting is to discuss fundamentals of commercial organization work. The meeting to-morrow will be the third of the kind, the first having been held in Mt. Sterling, in January, and the second in Paris in February.

APPELLATE COURT REVERSES CASE FROM BOURBON

The Bourbon Circuit Court was reversed Friday by the Court of Appeals, at Frankfort, in the case of B. M. Renick against Charles P. Mann and Hiram S. Redmon. Mann and Redmon, real estate brokers, entered into a contract with Renick to sell his residence in Paris, at the fixed sum of \$13,260, with the understanding that they were to receive a commission of \$260.

The brokers secured a buyer for \$12,500, but Mrs. Renick, in whose name the title was vested, declined to sign the deed. Mann and Redmon were allowed the commission by the lower court, which the Court of Appeals said was in error.

Fire, Wind and Lightning Insurance. THOMAS, WOODFORD & BRYAN

ball was kept in transit at all periods of the game. The line-up follows: "Blacks"—E. Whitley and Savage, forwards; Buchanan, center; Collins and Redmon, guards; "Reds"—Hancock and Redding, forwards; Varden, center; Christman and Hinton, guards; Referee, Miss Neil Robbins.
